

Scott Turner

Candidate for Sevier county commissioner

My qualifications for commissioner are rooted in the Constitution.

The Utah Constitution reflects the values of the U.S. Constitution, enumerating the powers of government, and acknowledging that Individual Rights are God given. This is my platform.

I favor low taxes, open government, fiscal responsibility, multiple use of public lands, and overall integrity of government employees.

I am a lifelong resident of Sevier county.

Served as a volunteer reserve police officer for thirteen years.

Operate Turner Moving Company.

Active in local church activities.

Please contact me with your questions and concerns.
